POSITIONS WE CAN EMBROIDER

We can embroider in a wide range of positions depending on the polo shirt you select. The typical positions are: left or right chest, left or right sleeve & the centre back neck.

FILE TYPES WE CAN ACCEPT

You should try & upload the best quality version of your logo or image to ensure the best end result. We ask for the files to be 300dpi or higher. If the image you upload is not of a high enough quality for the embroidery, our sales team will contact you to discuss how best to proceed. We accept the following image types: jpeg / gif / ai / pdf / psd. The maximum size file you can upload per logo is 20MB.

EMBROIDERY LIMITATIONS

There may be certain limitations depending on the customisation type you select. Certain designs can't be embroidered such as those with colour gradients or very intricate designs. Should you have any questions with regards to logo embroideries please don't hesitate to contact us.

CUSTOMER REQUIREMENTS

Each order is to be signed & submitted via an official job sheet which can be obtained via your agent or by contacting our office directly.
